Dear Parent,

All students at school have watched a Chalice video presentation about the effects of poverty on children in other parts of the world. It showed positive true stories about how works of kindness and charity from our part of the world have changed lives and futures of other children for the better. The students were inspired to do their fair share to help children in need in developing countries. To this end, the school will be participating in the Chalice “*From Heart to Finish*” Stewardship Campaign.

This schoolwide stewardship campaign has 2 components:

1. development of the Christian values of commitment and integrity, and
2. providing for major needs of a specific school in need overseas.

This campaign is a 3-year commitment for our school to raise at least \$5,000 per year to help a school, _____ (name of school) _____, in _____ (country) _____, that we have partnered with.

(Information about the school and their major need)

The impact of this stewardship campaign:

- The \$15,000 we will raise in the next 3 years will be used to provide our partner school, with _____ (major need specified) _____.

We will be sending you more information on the fundraising events and activities that the school will be sponsoring and how you can contribute to their success.

Thank you for your support toward this school campaign.
