Gifts of Hope

**"Open the doors
to Hope."
Pope Benedict XVI**

CHALICE.CA/GIFT-CATALOGUE

President's Message

Globally inflation has been a brutal blow to all and especially those already living on the edge.

The gift catalogue provides a variety of gifts, from basic necessities to "glimpses of hope" that reflect your desire to make a difference.

When the going gets rough, the tough ...the strong, the most resilient usually has had help, a moment of blessing, and support. Very, very few stand strong alone.

During these times it is even tougher for the poor, your gift helps a mother, father or child stand in dignity.

As always it will be love that will give and support life.

Thank you for sharing your love with someone who needs to receive it.

Fr. Patrick Cosgrove, President

*Christ to the Poor and the
Poor to Christ*

Thank you to everyone who gave a most-needed gift!

Nothing makes our site staff happier than working with sponsored children and their families! At our Nairobi site, our staff were excited to use the gift catalogue to help those in need.

Thanks to everyone who purchased a most needed gift in last year's catalogue, staff gave families baskets of food and essential items. They included rice, cornmeal, cooking oil, soap, and even notebooks for students. At a time when many families live on less than one dollar a day, these gifts were life-changing.

"Parents could not hide their joy as they received their food basket."

"We cannot wait to see what God has in store for these wonderful families." writes Merciline, our Nairobi site director.

Sponsorship

With sponsorship, you'll change two lives: theirs, and yours.

Sponsorship opens doors for Ramon's whole family

Ramon has been sponsored since he was five years old, through the Chalice's Pukavy sponsor site in Luque, Paraguay. He lives with his mother, Maida, and younger brother Pasqual (sponsored), his sister Gabby and a little brother Bruno. Unfortunately, in 2020 they lost their father due to COVID-19.

Ramon is part of the soccer team, and his dream is to be part of the Navy. He is working in an autobody shop this year as he prepares for the entrance exams. He hopes his siblings also accomplish their dreams! His sister Gabby wants to be a fashion designer and own a boutique, while Pasqual wants to be a technician.

As a part of the sponsorship program, parents are required to join a family circle, comprised of other parents and guardians of sponsored children, and facilitated by a Chalice field worker. Maida loves being a part of her family circle! The circle meets every month and sometimes Maida prepares and shares a Paraguayan cornbread. The circle group also works together to sell their baked goods to raise funds for projects they want to pursue.

Give the gift of sponsorship and change two lives. Build a bond with a child as you exchange letters, support their education, and show what love in action really looks like.

Your sponsorship gift of just \$42 a month helps parents care for their children with nutritious food and much-needed special medicines. Parents also access important job skills training, helping them earn an income and break the cycle of poverty.

You'll receive letters, annual updates and photographs as your child ages as your child grows. Give a child a gift that will live on long after childhood is over. Sponsor a child today.
