

Annual Report 2019-2020

Bulacan site Bulacan, The Philippines

Chalice has partnered with the Bulacan Diocese, through the Bethlehem House of Bread home, since 1999. The home provides foster care for vulnerable children who are unable to live with their families. Parents of sponsored children had little access to education, and so must find low-wage work in areas such as construction, market vending, laundry and collecting scrap or recyclable materials.
