

Grandsons of Abraham Education Centre

Kilifi county,
Kenya

- 90 children at the rescue centre and school.
- 8 staff members

The big challenge: complete reliance on donations.

The Centre depends on well-wishers and donors to be able to meet all the children's needs, including clothing, school supplies, and food. A multi-year drought and dramatic economic inflation has made food very expensive, and the Sisters spend most of their funds on feeding the children. They cannot afford anything beyond the very basics.

The students at GAEC have overcome so many barriers to be there. The Sisters want them to have every opportunity to succeed on their grade eight exams, proceed to secondary school, and have a chance at bright future.

Grandsons of Abraham's needs:

Uniforms, Shoes, and Bags: Students rely on the Centre for all their personal needs, including basic clothing.

Irrigation System: More water will improve the productivity of their school farm, where they can grow corn and vegetables for the children's meals.

Textbooks: Currently, six students share one textbook. This makes homework and learning very difficult.

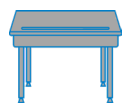

Water Tanks and Gutters: The Centre needs two 10,000 liters water tanks to collect rainwater that students and staff can use for drinking and washing.

Dining tables and chairs: Currently, most children sit on the floor of the dining hall, or go outside to sit on the ground.

Supplementary food supplies: Food is a constant source of anxiety for the staff members. They must feed 90 children nutritious meals every day. All food support is a tremendous gift.

Desks and Chairs: Most classrooms lack enough desks and chairs, and the existing ones are in rough shape.

Library Books, Furniture, and Supplies: A more robust library will help children learn on their own time.

Colour Photocopier and Printer: The Kenyan curriculum is designed with expectations that schools can make colour copies and prints, but the Sisters cannot. The resulting black and white materials are unclear and impede learning.

Donate today for Grandsons of Abraham's needs!
