Quarterly Nutrition Support
Program for all sponsored children
and site staff

Grinning with Gratitude

Jules has a winning smile, but for years, a toothache has been giving him a frown. His pain worsened despite treatments; eventually, he could barely chew. But the crowns Jules needed were expensive. His mother couldn't afford them.

He told our Saint Dominique staff about his terrible toothache. Thanks to Chalice supporters, they got him all the treatments he needed. Jules is no longer in pain and "very happy for everything."
