New Bag, New Beginnings

When Nataliya brought her three sponsored children home from a brief move to Poland, Chalice was her only support.

Her twins, Yana and Oleksandr, couldn't wait for their grade six year to start. They longed for new school bags they saw on TV. On Nataliya's budget, the bags were impossible. But thanks to Chalice, "the children were very excited to choose their new school bags," Nataliya says. "You can't imagine how happy they were when I took them to the store!"
