Elvira receives a moving gift

Elvira lives with a neurological disease that was slowly limiting her ability to move around her home. She'd often need to call her grown children for help. Everyone wished she could have her independence back.

Hearing of her challenges, our site staff in Chile knew just what to do. Thanks to everyone who gave a wheelchair gift through the Chalice gift catalogue, Elvira has a new lease on life.

She and her family are "very grateful for such a noble and wonderful gesture," says Sr. Maria from Santiago site. Now she can get around the house, to appointments, or anywhere she wishes to go. All with beautiful ease!

The Chalice team in Chile "gratefully raise our prayers to the Lord for each one of you."
