sponsored children received
Disaster Relief Funds

Melania's New Hope

Little Melania is sponsored through the Lviv site. Her family was worried when doctors said she needed surgery on her leg for it to develop correctly.

For the family of nine, surgery was not in their budget. But thanks to Chalice supporters, Melania was able to have the operation.

"Thank you for your support, for helping others in need, and for your hope for the future," says her mother, Tatiana.
